The Board voted to adopt the staff recommendations on the balance of claims for which appeals were withdrawn or deemed to be withdrawn and action on claims for which a hearing was denied under the California Code of Regulations, title 2, section 647.20.1, claim numbers 56 through 79.

Pete Williams, Deputy Executive Officer, Victim Compensation Program, presented "Proposed Revised Regulations: Service Limitations for Mental Health Counseling". After five months' experience with the regulations, staff has revised the regulations to provide clearer direction about the factors that warrant treatment beyond the initial session limits. The regulations address the special needs of children for additional treatment and limit additional treatment available for most derivative victims. The Board voted to direct staff to adopt the revised regulations and to re-submit emergency regulations if necessary.
